

Privacy policy for SKAKO A/S

Personal data regarding HR – termination of employment

Personal data processing

Definition

Personal data means any information relating to an identified or identifiable natural person, even if it requires knowledge to a social security number, reg. no. or similar.

Principles for processing personal data

Processing follows these principles:

- Handled legally, reasonably and transparently
- Collected for explicitly stated purposes
- Be sufficient, relevant and limited to what is necessary
- Be correct and up to date
- Only be stored for as long as necessary for the purpose
- Handled in a way that ensures adequate safety

Collecting and use of personal data

We have data collected from the process of application and during employment, to the extent that they have not already been deleted.

Deletion of your personal data

We only store your personal data for as long as necessary for the purpose, with due regard to the fact, that there may be legal requirements for storing the data.
